TYPE19SPECIALISTS.COM

FREE SAMPLE

This is 24 pages. The full catalogue is 904.

You have just read **Section 09, Steering, wheels & underbody** — the whole section, all 11 diagrams and 364 numbered parts: the steering column, the steering rack and track rods including the hybrid rack, the electro-mechanical power steering wiring, the alloy and steel rims, and the underbody trays, noise insulation and heat shields. Volume 1 of the Mk7.5 Golf Master Parts Catalogue is 904 pages of exactly that — every VW factory parts diagram for the Mk7.5 facelift Golf, 2017–2020, incl. GTI, GTD, GTE, Golf R and 4Motion, deduplicated and organised by VW group code. Each diagram carries its engine codes and year range, so you can tell whether a part fits your car before you order it.
